

Free eBooks on the News Tab in your My Library.

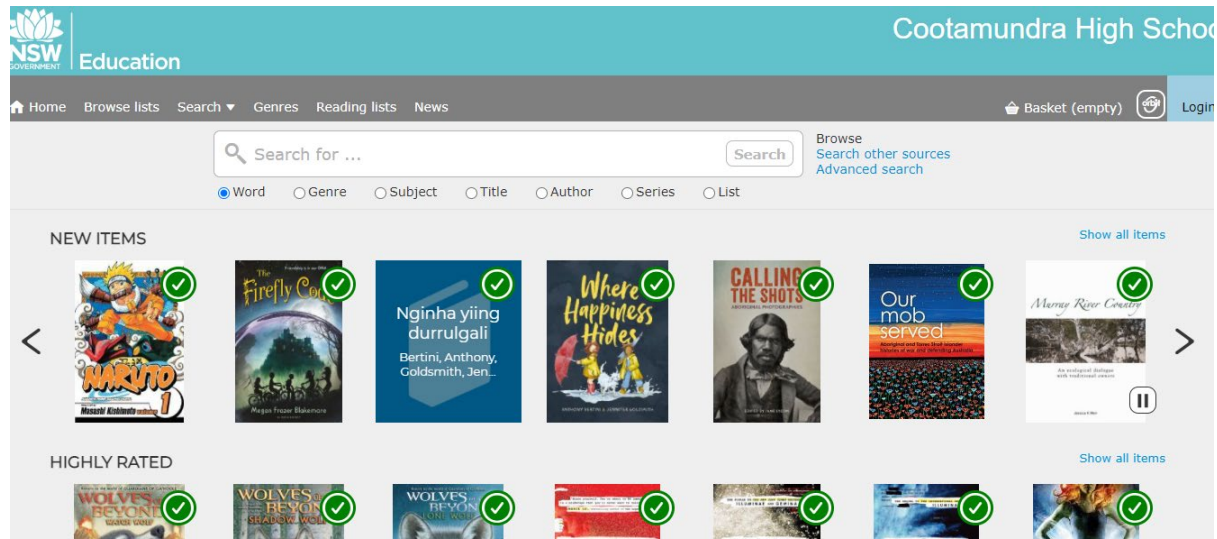

WHILE we are in lockdown, it doesn't mean you can't research for your assignments – or for recreation.

After you log into your school portal, you will find a range of links to eBooks and other resources! This includes your local library, State and National libraries, as well as links to Museums around Australia and overseas. Check it out!

Here's the steps how to get there:

1. After you log into your school portal, go to the Library tab visible on your page.
2. Click on the tab and it will bring up the school library home page.
3. Click on the News tab at the top of the screen.
4. You will be taken to the News tab, with links to eBooks and other resources!

FROM THIS ... Your My Library home page. Click on the News Tab at the top of the page.

TO THIS ... News Tab with links to lots of free online resources. There is even a free referencing tool to help you with your assignments!

The screenshot shows the top navigation bar of the Cootamundra High School Education website. The header includes the NSW Government logo, the school name, and a navigation menu with options like Home, Browse lists, Search, Genres, Reading lists, News, and Links. Below the header is a search bar and a navigation menu for the Library section, including 'Other branch news'. The main content area features three news tabs: 'Free Books Online' (with a link to Project Gutenberg), 'Cootamundra Library - access here!' (with a link to riverina regional library), and 'Free Comics Online' (with a link to Comixology). Each tab includes a thumbnail image of the respective resource's website.
